Important Suggestions

- Check well in advance that your passport is current and bring a second photo ID, such as your driver's licence.
- Make sure to notify your credit card companies of the dates that you will be spending abroad so they don't freeze your card thinking it has been stolen!
- Remember to bring your camera, memory cards, batteries and chargers. Charge all your equipment before leaving home.
- Bring a power adapter for electronic equipment.
- Remember to bring prescriptions and specific medical information.
- If you wear glasses, bring an extra pair, just in case.
- Bring sunglasses – the light in Portugal in September can be bright.
- Plan your packing carefully to get the most use from what you bring. It is always best to travel light!

More information about weather, trips to and from Lisbon airport and other relevant information will be provided to the group after you have registered and nearer to the time of the retreat.
