**SoulCollage® Facilitator Training in the UK**

Join a dynamic SoulCollage® Trainer with a warm and encouraging style! This is an intensive Training in which you learn how to facilitate this life-enhancing process. Whether you want to expand your range of professional activities, share SoulCollage® with friends and family or run workshops in your community, you will acquire a strong, solid knowledge of SoulCollage® facilitation and have an opportunity to home in on your own personal style as a Facilitator. Learn how you can share SoulCollage® and give inspiration to others, delve

further into your own creativity and take some important steps in your own SoulCollage® journey.

The Training will be held at Claridge House, a charming Victorian property now used as a training and retreat centre. The rooms are comfortable and the atmosphere friendly and informal. Delicious, healthy vegetarian food and a beautiful setting with 2 acres of garden complete the picture.

### **Becoming a SoulCollage® Facilitator**

As you probably know already, SoulCollage® is an intuitive creative process. You create a deck of collaged cards each representing a distinct aspect of the unique person you are. By expressing and exploring the many facets of your personality, your strengths, weaknesses, friends & family, guides & mentors and the forces which mold and motivate you as an individual, you develop your understanding and appreciation of your own life story. SoulCollage® invites you to see yourself as a multi-faceted person, living in the broader context of your community and the wider world. As your deck of SoulCollage® cards evolves, it becomes an ever more nuanced reflection of you as an individual and an increasingly valuable resource for guidance and meditation.

As you delve deeper into your personal SoulCollage® practice, you may find that you become so passionate about it that you want to share your enthusiasm with others. You may imagine gathering with your friends to do SoulCollage® together, organising SoulCollage® workshops in your community or bringing SoulCollage® into your working life.

If you are fired by the thought of combining your interest in personal growth with the healing power of creativity, then this training could be for you!
